

## **RAO / CIS OFFSHORE**

December 1, 2010

RAO / CIS Offshore secretariat

### **The Russian delegation took part in the exhibition and conference on oil and gas industry in Singapore - OSEA 2010.**

November 30, 2010 at Suntec Singapore Exhibition Centre was opened 18-th international exhibition and conference on oil and gas industry OSEA 2010.

For the first time at the OSEA the Russian exposition is organized. The exposition presents the largest domestic companies - Gazprom, Dalmorneftegeofizika, Sevmorneftegeofizika, Trade House TMK.

The Russian delegation is headed by Denis Khramov, Director of Public Policy and subsurface geology of the Ministry of Natural Resources and Ecology of Russia and Valeriy Golubev, deputy chairman of Gazprom.

During the official opening of the exhibition the Minister of State for Trade and Industry Mr. Isvaran visited stand of Russia.

December 1, the Day of Russia was held, its program included a seminar with the participation of representatives of the Ministry of Natural Resources and Ecology of the Russian Federation, Gazprom and other Russian oil companies.

The issues of state policy in the field of oil and gas exploration, Russian and international projects for the development of the continental shelf were discussed at the seminar.

The speakers were:

- Dennis G. Khramov (Department of Public Policy and subsurface geology of the MEP Russia)
- Valery Golubev (Gazprom)
- Makar V. Titov (JSC Dalmorneftegeofizika)

The seminar was attended by over 60 delegates from around the world. Great interest among the audience raised questions related to the development prospects of the energy market in Russia and the activities of Russian oil companies abroad. It was suggested to continue the discussion during the RAO / CIS Offshore in September 2011 in St. Petersburg.
